

MELBOURNE CUP 2018 SWEEP INSTRUCTIONS

WINE & DINE'M

To start, you'll need:

- Scissors
- 4 envelopes per sweep (for prize money)
- Small bowl, hat or other aid for collection

Instructions:

1. Head over to the Courier Mail on the day of the race to download the final form guide.
2. Print the page and cut out each of the tickets. Fold each ticket and put into a hat.
3. Decide the value of your sweep tickets = \$2, \$5 or more.
4. Each entrant is to pick a ticket out of the hat.
5. Write their name against the horse using the template included in this pack. Continue until all horses have been drawn. Repeat this process for as many sweeps as you'd like to run.
6. If a horse gets scratched there is no re-draw, just a little bit of bad luck!
7. Award prizes once the race has finished allocating 50% to first place, 30% to second place, 20% to third place and last place gets their money back (make sure you deduct this amount from the total prize money before allocating the %s).
